A golden chalice is positioned on the left side of the image, resting on a wooden surface. The chalice's bowl is filled with a liquid, and a bright light source, likely the sun, is reflected on the surface of the liquid, creating a starburst effect. The reflection shows a crucifix with a figure on it. To the right of the chalice, a piece of textured, golden-brown bread is visible. The background is a warm, golden light, suggesting a sunrise or sunset.
