A large wooden sign with a natural wood grain texture is the central focus. It is set in a vibrant, cartoon-style landscape. The background features a bright blue sky with soft, white clouds and several black silhouettes of birds in flight. On either side of the sign are large, rounded green trees with varying shades of green. The foreground is a lush green lawn with scattered small white flowers. A row of colorful flowers, including yellow and orange ones, runs along the base of the sign. The sign itself has a slightly weathered, hand-drawn appearance.
