The background of the entire graphic is a photograph showing the dark silhouettes of several people standing outdoors. They are positioned against a bright, low sun that creates a strong glow and casts long shadows. The sky is a mix of deep blue and orange, with wispy white clouds scattered across it. The overall mood is contemplative and respectful.

A close-up photograph of a silver chalice on the left, containing a liquid. The surface of the liquid reflects a crucifix with a bright light source behind it, creating a lens flare effect. To the right of the chalice is a piece of textured, golden-brown bread. The background is a warm, out-of-focus light. Text is overlaid on the right side of the image.
